The iWISE Olympiad is a global platform for young talented performers, gifted artists and extraordinary scientists to showcase their skills, creativity and scientific mind-set.

iWISE is an opportunity for young minds ages 10 to 24 years old, to express their views on public awareness surrounding environmental issues. The iWISE Olympiad is an international platform for students to stimulate their creative imagination by providing students with visual, tactile and sensory experiences as well as a unique perspective and understanding in responding to the world around them.
