

Dear Organizing Committee

11 September 2023

We are excited to invite your esteemed institution to participate in the *International World Innovative Student Exhibition* (iWISE) 2024. This global competition provides a wonderful opportunity for your students to showcase their innate talents, explore their passion for innovation, and further gain international recognition.

iWISE is organised by **Oscar Education Ltd UK** and hosted by the **University of Surrey in London**. It brings together talented artists, scientists, and performers from across the globe. The competition focuses on three main categories: Art, Talent, and STEM.

We have two phases for iWISE:

- **1<sup>st</sup> Phase** is our Virtual Qualification Finals. Participants will have the option to choose from one of four **Virtual Finals** that they would like to participate in. In order to qualify for our **Global Final** exhibition participants will need to achieve a medal ranking.
- **2<sup>nd</sup> Phase** is our **Global Final**: 80% of participants who have achieved a medal ranking (gold, silver, or bronze) in our **Virtual Finals**, will be selected to participate in our Global Final Exhibition in London. Please kindly see our competition timeline for **2023 – 2024** as follow:
