Cats College accreditation letter.

To Whom It May Concern,

On behalf of CATS Colleges, I am pleased to introduce iWISE, the International World Innovative Student Exhibition.

iWISE is an International Olympiad that provides students with the opportunity to showcase their talents in a variety of fields, including Art, Talent, Robotics, iTech, and STEM. This skills-based Olympiad is designed to inspire creativity and academic excellence, helping students reach their full potential.

iWISE is accredited and certified by CATS Global Schools, a respected group of prestigious educational institutions internationally. Our dedicated staff are delighted to support and facilitate the upcoming global final exhibition in the United States of America and in the United Kingdom. Our goal is to ensure that all students have a rewarding, educational, and memorable experience.

We warmly welcome your participation in iWISE and look forward to seeing the incredible ideas and innovations that this year's competition will inspire.

Kind regards,

--
